**Home Occupations Ordinance:**

- A. Home occupations shall be approved by the Zoning Administrator, who may issue an approval upon receipt of an application.
- B. No persons other than members of the immediate family residing on the premises shall be engaged in such occupation.
- C. The use of the dwelling unit for the home occupation shall be clearly incidental and subordinate to its use for residential purposes by its occupants, and not more than twenty (20) percent of the floor area of the dwelling unit shall be used in the conduct of the home occupation.
- D. There shall be no change in the outside appearance of the building or premises, or other visible evidence of the conduct of the home occupation, other than one (1) sign, not exceeding two (2) square feet in area, non-illuminated, and mounted flat against the wall of the main building.
- E. No traffic shall be generated by such home occupation in greater volumes than would normally be expected in a residential neighborhood and any need for parking generated by the conduct of the home occupation shall be met off the street and other than in the required front yard.
- F. No equipment or process shall be used in the home occupation that creates noise, vibration, glare, fumes, odors, or electrical interference detectable to the normal senses beyond the boundaries of the property on which the home occupation is conducted. In case of electrical interference, no equipment or process shall be used which creates visual or audible interference in any radio or television receivers off the premises, or cause fluctuation in line voltage off the premises.
